

CURRICULUM VITAE
Kevin Scott Schindler
(updated February 2020)

Contact Information:

Lowell Observatory
1400 W. Mars Hill Rd.
Flagstaff, AZ 86001

Telephone: 928-607-1387

Fax: 928-774-6296

Email: kevin@lowell.edu

Education:

B. S., Geology, Marietta College, Marietta, OH 1987

Honors/Awards:

2020	Viola Award for Community Impact – Organization, Lowell Observatory and Discover Flagstaff, Flagstaff’s Lunar legacy
2019	Friend of the Humanities Award, Arizona Humanities
2012	Viola Award for Flagstaff Science Educator of the Year, Flagstaff Cultural Partners
2011	Asteroid 23739 Kevin named in Kevin’s honor
2010-2012	Editor’s Choice Award (5 times), <i>suite101.com</i> online magazine.
2004	Fossil crab <i>Pseudoacheulis schindleri</i> named in Kevin’s honor
1996	Employee of the Year, Lowell Observatory
1986	Paul Fulton Memorial Grant, Southeastern Ohio Oil & Gas Association
1986	Adopt-A-Student Scholarship, Kirtlandia Society, Cleveland Museum of Natural History

Offices/Community Activity:

2017-2019	Flagstaff’s Lunar Legacy
2003-2016	Sheriff, Flagstaff Corral of Westerners International
2014	Commissioner, Flagstaff Tourism Commission
1998-2014	Board of Directors, Flagstaff Festival of Science (President in 2001, 2005)
2011-2012	United Way of Northern Arizona Campaign Cabinet.
2003-2005	Manager, Lowell Infrared Sox (softball team)
2002-2004	Board of Directors, Flagstaff Leadership Program (Treasurer in 2003-2004)
2001, '02, '09, '10, '11	Lowell Observatory Campaign Chair, United Way drive
1989-1992	Treasurer, Florida Paleontological Society

Professional Experience:

2015-present. Historian, Lowell Observatory, Flagstaff, Arizona. Research and write about the history of Lowell Observatory and astronomy.

2017. Public Information Officer, Lowell Observatory, Flagstaff, Arizona.

2015. Content Specialist, Lowell Observatory, Flagstaff, Arizona. Create and edit written content for internal and external publications and documents. Assist with public relations and represent Lowell Observatory at select professional and community events.

2013-2014. Communications Manager, Lowell Observatory, Flagstaff, Arizona. Manage communications efforts, both internally and externally, including information dissemination via newsletters, Constant Contact email blasts, social media; manage PR, marketing, advertising.

2005-2013. Outreach Manager, Lowell Observatory, Flagstaff, Arizona. Provide oversight of all aspects of Public Programs, including fiscal management of \$1,000,000 budget, supervision of 38 paid and volunteer staff members, programming, telescope operations, gift shop, exhibit development, special event coordination. Flagstaff, AZ

2011-2013. Topic Editor (Paleontology), *suite101.com* online magazine

2011-2013. Feature Writer (Paleontology), *suite101.com* online magazine

2010-2011. Contributing Writer, *suite101.com* online magazine

1998-2005. Senior Supervisor, School & Special Programs, Lowell Observatory, Flagstaff, AZ

1996-1998. Public Program Supervisor, Lowell Observatory, Flagstaff, AZ

1995-1996. Supervisor, Lowell Observatory, Flagstaff, AZ

1995. Tour Guide, Lowell Observatory, Flagstaff, AZ

1993-1994. Collections Assistant (Volunteer), Discovery Place, Charlotte, North Carolina

1990-1993. Biological Scientist, Division of Invertebrate Paleontology, Florida Museum of Natural History, Gainesville, FL

1988-1990. Laboratory Technician, Division of Invertebrate Paleontology, Florida Museum of Natural History, Gainesville, FL

1987-1988. Tour Guide, Marjorie Kinnan Rawlings State Historic Site, Cross Creek, FL

1987. Technician, Devil's Millhopper State Historic Site, Gainesville, FL

1983-1987. Teaching Assistant/Laboratory Technician, Marietta College Departments of Geology and Biology, Marietta, OH

1986. Curatorial Assistant, Division of Invertebrate Paleontology, Cleveland Museum of Natural History, Cleveland, OH

Grants (as co-P.I. or as senior personnel):

2015 received \$29,000 from the Flagstaff Arts Council for general operations.

2014 received \$28,300 from the Flagstaff Arts Council for general operations.

2013 (with M. Doucette) received \$9,750 from the Flagstaff Cultural Partners for general operations.

2012 (with R. Tweed) received \$21,000 from the Flagstaff Cultural Partners for general operations.

2011 (with R. Tweed) received \$21,000 from the Flagstaff Cultural Partners for general operations.

2010 (with R. Tweed) received \$28,600 from the Flagstaff Cultural Partners for general operations.

2009 (with R. Tweed) received \$29,000 from the Flagstaff Cultural Partners for general operations.

2008 (with R. Tweed) received \$27,000 from the Flagstaff Cultural Partners for indoor exhibit improvements.

2008 (with R. Tweed) received \$5,000 from the Nierling Foundation for lecture hall improvements.

2007 (with R. Tweed) received \$22,000 from the Flagstaff Cultural Partners for creating multimedia programs.

2007 (with R. Tweed) received \$3,000 from The Sundt Foundation for exhibit upgrades in Rotunda Museum.

2007 (with J. Hall and R. Tweed) received \$45,000 from the McAllister Foundation and Geofund to design and construct McAllister Space Theatre.

2007 (with J. Hall and R. Tweed) received \$6,000 from Arizona Public Service for seating in the McAllister Space Theatre.

2006 (with R. Tweed) received \$8,000 from the JP Morgan Chase Foundation for exhibit upgrades in Rotunda Museum.

2006 (with R. Tweed) received \$10,000 from BNSF for exhibit upgrades in Rotunda Museum.

2006 (with R. Tweed) received \$17,500 from Tourism Cares for exhibit upgrades in Rotunda Museum.

2006 (with R. Tweed) received \$51,000 from Honeywell Hometown Solutions for a three-year project to build the Honeywell Children's Exhibit.

2006 (with R. Tweed) received \$20,000 from the Flagstaff Cultural Partners to design and build outdoor signage and exhibits.

2005 (with R. Tweed) received \$2,500 from the Principal Financial Group for design and construction of children's exhibit in Rotunda Museum.

2004 received \$3,000 from the Arizona Humanities Council to design and build *The 1894 Lowell Expedition* exhibit in Rotunda Museum.

Presentations:

- 1995-present Scientific & historical interpretive programs for general public and school groups, Lowell Observatory, Flagstaff, AZ.
- 1995-present Presentation of numerous historical programs to community service and other organizations around Arizona, with topics including Zane Grey in Arizona, Theodore Roosevelt's influence in Arizona, Baseball in Arizona, Buckey O'Neill, the 1894 Lowell Expedition, Del Webb, John Weatherford, V.M. Slipher, history of science in Flagstaff.
- 2016 *Percival Lowell's Impact on Science and Culture 100 Years Later*. Arizona History Convention, Yuma, Arizona.
- Lowell Observatory's 24-inch Clark Refractor: Its History and Renovation. American Astronomical Society, AAS Meeting #227, Kissimmee, Florida.
- 2015 The Finest Telescope Money can buy: The History of Lowell Observatory's 24-inch Clark Telescope. Antique Telescope Society Meeting, San Jose, California.
- Restoring Lowell Observatory's 118-year-old Clark Telescope. Arizona Historic Preservation Office, Flagstaff, Arizona.
- The Legacy of Instrument Building at Lowell Observatory. Antique Telescope Society Meeting, San Jose, California.
- 2012 *Serendipity and the Acquisition of the Lowell Spectrograph*. Origins of the Expanding Universe Conference, Flagstaff, Arizona.

- 2012 *V.M. Slipher, the Man Who Discovered the Expanding Universe.* Arizona History Convention, Phoenix, Arizona.
- 2012 *Outreach in the Native American community through the Navajo-Hopi program.* American Physical Society March, 2012 meeting, Boston.
- 2010 *The 1894 Lowell Expedition to Arizona.* Arizona-Nevada History Convention, Laughlin, Nevada.
- 2005 *Theodore Roosevelt and His Impact on Arizona.* Arizona History Convention, Flagstaff, Arizona.
- 1995-2004 Development and performance of annual *Voices from the Past* living history presentations, Lowell Observatory, Flagstaff, AZ.
- Sept. 2000 Played part of Percival Lowell in *A Glass of Sarsaparilla and a Black Cigar*, a locally produced play focusing on Flagstaff in 1903 and featuring numerous historic characters.
- Dec. 1999 Professional presentation *Voices From the Past – Planetfest*, Pasadena, CA.
- April 1998 Professional presentation *Voices From the Past – Using theatre to excite interest in astronomy.* National Science Teachers Association National Convention, Las Vegas, NV.
